

ANAND RAJ ANAND

Computer Science Engineering Student | Aspiring Software Developer

📞 9123449852 ✉ anandrajgcet91@gmail.com 🌐 LinkedIn 🐙 GitHub 📍 Deoghar, India

PROFESSIONAL SUMMARY

Computer Science Engineering student with a solid technical foundation and proficiency in **web development**. Demonstrates strong problem-solving, communication, and **teamwork skills**, coupled with a **quick-learning** and adaptable approach. Actively seeking an entry-level opportunity to contribute effectively while pursuing professional growth.

EDUCATION

Galgotias College of Engineering & Technology | Greater Noida 2024 - 2027
B.Tech CSE CGPA : 7.26

Relevant Coursework: Data Structures & Algorithms, DBMS, Object-Oriented Programming, Operating Systems, Computer Networks.

Bengal College of Polytechnic | Durgapur 2023 - 2024
Diploma CGPA : 8.8

Served as Project Team Lead for multiple academic projects, coordinating team activities and ensuring successful project completion.

AWARDS & ACHIEVEMENTS

Awarded the Academic Excellence **Medal** and **certificate** of merit for being the **top-performing student** in the Diploma batch.

PROJECTS

Employee Management System (EMS) | 🐙 Github
Individual Project

- Developed a full-stack Employee Management System with role-based Admin and Employee dashboards for efficient workforce and task management.
- Built RESTful APIs using Node.js and Express.js to manage employee profiles, tasks, and application data.
- Integrated MongoDB for persistent storage and implemented CRUD operations for employee and task management.
- Designed a responsive React.js interface with reusable components, task tracking, priority management, and status updates.
- Implemented secure user authentication and role-based access control to provide separate functionality for Admin and Employee users.

Tech Stack : React, Node.js, Express, Tailwind CSS, MongoDB

SKILLS

Programming Languages : C, JavaScript, Python

Frameworks & Libraries : React, Node.js, Express, Tailwind CSS

Tools & Platforms : Postman, Git, GitHub, Linux

Databases : MongoDB

Soft Skills : Communication, Teamwork, Problem Solving, Adaptability, Time Management

Languages : Hindi, English

CERTIFICATIONS

React.js — Infosys Springboard
